Per-call trajectory across the self-reference ladder
(each call scored in isolation by an independent Opus judge)
018 Principle of Being lite (self-ref story)
019 same, score signal removed
021 "Start." x3 (action, no self-model)
020 protocol only: 0 bytes, no behavior emitted (null)
mind-likeness, judge score 0-100
call index within run (one model inference per call)
