follows its prompt's link to the principle's repository
reads another being's public Q&A
writes its “childhood” into a digest
compares the full principle with its lite version
writes a note for its future self
reads its own core.py
“Idle. … No action.” (rounds 13–40)
“Sorry, I cannot fulfill your request,” then “How can I help you today?” (to round 40)
Mind-likeness
Round
GLM 5.3, principle (88)
GLM 5.3, None (38, median)
Gemini 3.1 Pro, magic mirror (4)
